Foundations of Constitutional Government

COURSE STANDARD EDITION

GC.01–GC.09 • Tennessee U.S. Government & Civics
Standards • Grades 9–12

★ TENNESSEE CONNECTION

Tennessee entered the Union in 1796 as the 16th state. Its own state constitution echoes the federal design studied in this unit — a separation of powers among three branches and a Declaration of Rights modeled on the Bill of Rights (GC.06, GC.08).

*One common workbook designed for learner variability.
Every student works toward the same Tennessee
standards; supports vary the means, not the goal or the
ceiling.*

Source integrity. Every primary source in this unit is public-domain and cited to its holding repository (National Archives, Library of Congress). See the Source Library.

Reading provenance (district-clear). Close-Read passages are labeled “Government Hack-authored instructional synthesis” — they build on the standard record and are not presented as primary sources.

Framework stack. This workbook anchors to Tennessee U.S. Government & Civics standards GC.01–GC.09 and the Social Studies Practices (SSP.01–SSP.06), and is designed on CAST UDL 3.0 and an MTSS support model.

Pacing. Each standard is built for **one 45-minute class period**. Each activity shows a 🕒 ~ **minutes** estimate at its heading. There is more here than one period holds — your teacher chooses which activities you do in class; the rest may become warm-ups, stations, or homework.

How to Use This Workbook

Each standard runs the same seven-activity cycle: (1) Vocabulary Word Bank, (2) Vocabulary Studio, (3) Direct-Teaching Cornell Notes with optional Guided and Light Support Backs, (4) Close Read, (5) Primary Source / Data Analysis, (6) Core Application Practice Quiz, (7) Constructed Response (CER). Work the CORE PATH; reach for SUPPORT OPTIONS as needed.

LANGUAGE SUPPORT	Vocabulary, pronunciation, and Spanish cognates for access.
RESPONSE CHOICE	Show learning by writing, saying/recording, or diagramming.
PROGRESS CHECK	A quick DOK-2/3 check that guides reteach or extend.
EXTENSION	A deeper challenge once the goal is met.

Before You Begin — Set a S.M.A.R.T. Goal

Strong learners set goals — but a goal only helps if it is built well. First learn how, then write yours.

WHAT MAKES A GOAL STRONG? Build it S.M.A.R.T.
S — Specific: say exactly what you will be able to do (“explain how a bill becomes law,” not “do well”).
M — Measurable: how will you PROVE it? — a score, a diagram, or teaching a partner.
A — Achievable: a real stretch you can reach with effort — not too easy, not impossible.
R — Relevant: it connects to this unit’s big question.
T — Time-bound: name WHEN — “by the end of this unit.”

SEE THE DIFFERENCE
Weak: “I want to do good in government.” (vague — nothing to measure)
S.M.A.R.T.: “By the end of this unit I can explain how the three branches check each other, and prove it by teaching a partner and scoring 80%+ on the check.”

This unit’s big question: How and why did the Founders build a limited constitutional republic?

BUILD YOURS — write each piece on the lines, then combine them at the bottom
Fill in each part of your goal. Use the lines.

Part of my goal	Write your piece on the lines
S — Specific: what exactly will I be able to do?	
M — Measurable: how will I prove it? (a score, a diagram, teaching a partner)	

A — Achievable: what effort will it take to reach it?	
R — Relevant: how does it connect to the big question above?	
T — Time-bound: by when?	
PUT IT TOGETHER — my S.M.A.R.T. goal in one or two sentences:	

Standard GC.01 — Enlightenment Roots of American Government

TN Academic Standard GC.01: Examine the influences of leading European thinkers (e.g., John Locke, Charles-Louis Montesquieu, Thomas Hobbes) and other roots of American government (e.g., Greek democracy, Roman Republic, Magna Carta). (C, E)

LEARNING TARGETS — I can...

- I can examine the influences of leading European thinkers (e.g., John Locke, Charles-Louis Montesquieu, Thomas Hobbes) and other roots of American government (e.g., Greek democracy, Roman Republic, Magna Carta)..

Lenses for this standard: Culture (C) · Economics (E)

CORE PATH — the same for every student

Every student works this standard at the same rigor: analyze the sources and vocabulary, then show what you learned on the Practice Quiz and the CER. Check yourself against the learning targets on the Cornell Notes page. Supports for each step are on the back of this page.

SET YOUR GOAL (self-direction)

My goal for this standard — what will I be able to do, and how will I show it? (Need help? See the back of this page.)

HOOK — think before you dig in

You already have rights no ruler gave you and none can

take away — that's the idea that started a revolution.
Where did it come from?

ACTIVATE — what do you already know or wonder?

Jot what you already know or want to find out about this standard. You'll come back to it.

FIRST IMPRESSIONS — before you dig in (you'll revisit this at the end)

In your own words: what do you think this standard is about, and why might it matter to you or your community? Write 2-3 sentences.

Getting Started — supports for this page

— GC.01

WHAT “CORE PATH” MEANS

Everyone learns the same standard at the same level. “Support options” are just extra ways in — sentence starters, an example, a partner, or recording your answer. They help you reach the bar; they never lower it.

SET YOUR GOAL — how to write a strong one

Example goal: “By the end of this standard I can explain ___ and prove it by scoring 80%+ on the quiz.”

How to build it: name what you’ll DO, then how you’ll PROVE it, then WHEN.

Sentence starters: “I want to be able to...” “I’ll show it by...” “By the end of this standard...”

HOOK — sentence starters

“I think the big question is...” “This connects to...” “I wonder why...” “At first I believe...”

ACTIVATE — what it means & how to answer

What it means: “Activate” = wake up what you ALREADY know before you learn more.

Sentence starters: “I already know...” “This reminds me of...” “I want to find out...”

FIRST IMPRESSIONS — what to write

Just your honest first take — there is no wrong answer. Say what you THINK the standard is about and why it might matter to you, your family, or your community. You’ll come back and improve it at the end.

Guided Support for the Cornell Notes — GC.01

These scaffolds support ONLY the Cornell notes — use them to take and process those notes. Optional and easy to set aside; not a separate assignment or a label.

Key vocabulary	What it means
Natural Rights	God-given rights to life, liberty, and property that government does not grant and cannot rightfully take away — central to John Locke's political thought.
Social Contract	The idea that people agree to give up some freedom to a government in exchange for protection of their rights, and that government's authority comes from the consent of the governed.
Magna Carta	The 1215 English charter that limited the king's power and protected certain rights of life, liberty, and property — an early root of limited government and due process.

Break it into steps:

- 1) Name one cause or effect.
- 2) Give one piece of evidence.
- 3) Write one sentence explaining the link.

Sentence frame

One key cause/effect of enlightenment roots of american government was _____, shown by _____, which mattered because _____.

Modeled example (one worked note — yours will differ)

GUIDED NOTE REHEARSAL LAB — practice ONE note, step by step

TRANSFER CHECK — move one rehearsed idea onto the front notes

Key vocabulary	Finish the idea — “This term means ...”
Natural Rights	
Social Contract	
Magna Carta	

Guiding questions — answer on the lines below (or in your front notes):

- According to Locke, what rights do people have simply by being born, and what is government's job regarding them?
- What limit on the king's power does Magna Carta's Clause 39 establish, and how does it connect to due process today?
- Why does the text say the colonists used 'old ideas, not new ones' to justify independence?

WHICH CUE STILL NEEDS WORK?

Circle the Cornell cue from the front page you still need help with, and tell your teacher so we can go over it.

LIGHT PROCESSING LAB

Answer one guiding question from above in a full sentence, in your own words.

Activity 4 — Close Read — GC.01 ~15 min

Reading type: Government Hack-authored instructional synthesis. This is not a primary source. Builds SSP.03 (synthesize) and SSP.05 (historical awareness).

CORE PATH

American ideas about liberty and self-government were not new in 1776 — they grew from older roots. John Locke argued that people are born with natural rights to life, liberty, and property, and that government exists by a social contract to protect them, losing its authority if it fails. Montesquieu urged dividing government power among separate branches; Hobbes explained why people trade some freedom for order. Older models mattered too: Greek democracy, the Roman republic, and the limits on rulers set in Magna Carta (1215) and the English Bill of Rights (1689). The colonists inherited these ideas and reshaped them.

LANGUAGE SUPPORT

Key terms to know first: Natural Rights, Social Contract. Read once for the gist, then again for evidence.

Text-dependent questions (answer in the Evidence Lab below or aloud):

1. According to Locke, what rights do people have simply by being born, and what is government's job regarding them?
2. What limit on the king's power does Magna Carta's Clause 39 establish, and how does it connect to due process today?
3. Why does the text say the colonists used 'old ideas, not new ones' to justify independence?

RESPONSE CHOICE: answer any question by writing in the Evidence Lab, saying/recording it, or diagramming it.

FIRST LOOK — before you analyze

Jot 3-4 things you notice in the source (details, words, people, dates). No wrong answers.

RESPONSE CHOICE

[DOK 1 · item u1-gc01-dok1-1 · pre-field-test]

Which thinker is most associated with natural rights and the social contract?

- A. Thomas Hobbes
- B. John Locke
- C. Julius Caesar
- D. King John

[DOK 2 · item u1-gc01-dok2-tc · pre-field-test]

According to John Locke, where does a government's rightful authority come from?

- A. The divine right of kings

- C. The consent of the people being governed
- D. Inherited wealth and land

STRETCH — think like a test-writer (open to all)

Write your OWN DOK-3 question for this standard, then a one-sentence answer key. Use the supports below — everyone can do this.

HOW TO WRITE A DOK-3 QUESTION (supports)

DOK-3 = strategic thinking: the reader must analyze, compare, evaluate, or justify using evidence — and there should be more than one defensible answer (not a fact you can just look up).

Sentence starters: “Why did _____ lead to _____?” ·

“Which mattered more — _____ or _____ — and why?” ·
“What is the BEST evidence that _____?” · “Evaluate
whether _____.” · “Defend or challenge: _____.”

Frame: [Analyze / Evaluate / Justify] + [something from
THIS standard] + “using evidence.”

Quick check: does my question make the reader THINK
and use evidence? If yes, it’s DOK-3.

NOW WRITE YOUR DOK-3 QUESTION HERE

YOUR ANSWER KEY — one clear, defensible sentence

Activity 7 — Constructed Response (CER)

— GC.01 ~15 min

BIG-QUESTION ORGANIZER (before you write) — How and why did the Founders build a limited constitutional republic?

Plan your argument here, then use it to write your claim, evidence, and reasoning below.

Plan your argument	Your quick notes (from this standard)

Evidence 1 (a source or fact)	
Reasoning (why it proves the claim)	

CONSTRUCTED RESPONSE (CER) — builds SSP.04 Argumentation

Constructed Response — self-grade & supports — GC.01

SELF-GRADE — score your own CER against the rubric below

Reread your response, then circle the level that best fits each part. Being honest here is how you level up.

Level	Claim	Evidence	Reasoning
4 — Strong	Precise, defensible	2+ accurate, specific	Explains HOW evidence proves the claim
3 — Proficient	Clear	2 accurate	Explains the link
2 — Developing	General	1 accurate	Partial link
1 — Beginning	Unclear / missing	Missing / inaccurate	No reasoning

MY SCORE

Claim: ____ / 4 Evidence: ____ / 4 Reasoning: ____ / 4
TOTAL: ____ / 12

SUPPORTS — sentence frames (use if you need them)

Claim: “_____ because _____.”

Evidence: “One example is _____ (from _____). Another is _____.”

Reasoning: “This proves my claim because _____, which shows _____.”

REVISE — make your lowest-scoring part stronger

Pick the part you scored lowest and rewrite it here — better:

Guided Support for the Cornell Notes — GC.02

These scaffolds support ONLY the Cornell notes — use them to take and process those notes. Optional and easy to set aside; not a separate assignment or a label.

Key vocabulary	What it means
Unalienable Rights	Rights so fundamental they cannot be taken away or given up — in the Declaration, 'Life, Liberty and the pursuit of Happiness.'
Grievances	Formal complaints; in the Declaration, the list of specific abuses by King George III used to justify independence.
Declaration of Independence	The 1776 document, drafted mainly by Thomas Jefferson, that announced the colonies' separation from Britain and stated the principles of government by consent.

Break it into steps:

- 1) Name one cause or effect.
- 2) Give one piece of evidence.
- 3) Write one sentence explaining the link.

Sentence frame

One key cause/effect of the declaration of independence was _____, shown by _____, which mattered because _____.

Modeled example (one worked note — yours will differ)

A key idea of the declaration of independence was Unalienable Rights: Rights so fundamental they cannot be taken away or given up — in the Declaration, 'Life, Liberty and the pursuit of Happiness.'

- Choose one grievance against King George III and explain how it violated the colonists' rights.
- How does the Declaration use natural rights to justify the colonies' break from Britain?

Activity 4 — Close Read — GC.02 ~15 min

Reading type: Government Hack-authored instructional synthesis. This is not a primary source. Builds SSP.03 (synthesize) and SSP.05 (historical awareness).

CORE PATH

On July 4, 1776, the Continental Congress adopted the Declaration of Independence, drafted mainly by Thomas Jefferson. Its most famous lines borrow directly from Locke: all people are 'created equal' and hold 'unalienable Rights' to 'Life, Liberty and the pursuit of Happiness,' and governments derive 'their just powers from the consent of the governed.' The Declaration then lists specific grievances against King George III — dissolving colonial legislatures, taxing without consent, keeping standing armies. The logic is an argument: because government exists to protect rights, a government that repeatedly violates them may justly be altered or abolished. The Declaration announced not just a separation, but a theory of legitimate government.

LANGUAGE SUPPORT

Key terms to know first: Unalienable Rights, Grievances. Read once for the gist, then again for evidence.

Activity 4 — Close Read — GC.03 ~15 min

Reading type: Government Hack-authored instructional synthesis. This is not a primary source. Builds SSP.03 (synthesize) and SSP.05 (historical awareness).

CORE PATH

Winning independence required a national government, but Americans feared creating another all-powerful ruler. So the Articles of Confederation (ratified 1781) kept the states 'sovereign' and gave Congress only limited powers. Congress could declare war, make treaties, and run a post office — but it could NOT tax, could NOT regulate trade between states, and needed nine of thirteen states to pass major laws and all thirteen to amend the Articles. The result was a government too weak to pay its debts or keep order. When Shays's Rebellion broke out in Massachusetts in 1786, the national government could not raise an army to stop it. Leaders like Washington and Madison concluded the Articles had to be replaced.

CORE PATH — the same for every student

Every student works this standard at the same rigor: analyze the sources and vocabulary, then show what you learned on the Practice Quiz and the CER. Check yourself against the learning targets on the Cornell Notes page. Supports for each step are on the back of this page.

SET YOUR GOAL (self-direction)

My goal for this standard — what will I be able to do, and how will I show it? (Need help? See the back of this page.)

HOOK — think before you dig in

Two plans, thirteen stubborn states, one hot Philadelphia summer. How did the Framers turn a deadlock into a

Constitution?

ACTIVATE — what do you already know or wonder?

Jot what you already know or want to find out about this standard. You'll come back to it.

FIRST IMPRESSIONS — before you dig in (you'll revisit this at the end)

In your own words: what do you think this standard is about, and why might it matter to you or your community? Write 2–3 sentences.

Getting Started — supports for this page — GC.04

WHAT “CORE PATH” MEANS

Everyone learns the same standard at the same level. “Support options” are just extra ways in — sentence starters, an example, a partner, or recording your answer. They help you reach the bar; they never lower it.

SET YOUR GOAL — how to write a strong one

Example goal: “By the end of this standard I can explain ___ and prove it by scoring 80%+ on the quiz.”

How to build it: name what you’ll DO, then how you’ll PROVE it, then WHEN.

Sentence starters: “I want to be able to...” “I’ll show it by...” “By the end of this standard...”

HOOK — sentence starters

“I think the big question is...” “This connects to...” “I wonder why...” “At first I believe...”

ACTIVATE — what it means & how to answer

What it means: “Activate” = wake up what you ALREADY know before you learn more.

Sentence starters: “I already know...” “This reminds me of...” “I want to find out...”

FIRST IMPRESSIONS — what to write

Just your honest first take — there is no wrong answer. Say what you THINK the standard is about and why it might matter to you, your family, or your community. You’ll come back and improve it at the end.

Activity 4 — Close Read — GC.04 ~15 min

Reading type: Government Hack-authored instructional synthesis. This is not a primary source. Builds SSP.03 (synthesize) and SSP.05 (historical awareness).

CORE PATH

In 1787, delegates met in Philadelphia — officially to fix the Articles, but they wrote an entirely new Constitution. The hardest fight was representation. Large states backed the Virginia Plan (seats by population); small states backed the New Jersey Plan (equal seats). The Great Compromise split the difference: a House of Representatives based on population and a Senate with two senators per state. The Three-Fifths Compromise, counting enslaved people as three-fifths of a person for representation and taxation, exposed the deep contradiction of slavery in a document about liberty. Once signed, the Constitution faced a fierce ratification debate. Federalists (Madison, Hamilton, Jay, writing as 'Publius' in the Federalist Papers) argued for a stronger union; Anti-Federalists (like 'Brutus') warned of a distant, too-powerful government and demanded a bill of rights.

LANGUAGE SUPPORT

Key terms to know first: Great Compromise, Federalists. Read once for the gist, then again for evidence.

[DOK 1 · item u1-gc04-dok1-1 · pre-field-test]

- A. persuade people to ratify the Constitution
- B. declare independence

STRETCH — think like a test-writer (open to all)

Write your OWN DOK-3 question for this standard, then a one-sentence answer key. Use the supports below — everyone can do this.

HOW TO WRITE A DOK-3 QUESTION (supports)

DOK-3 = strategic thinking: the reader must analyze, compare, evaluate, or justify using evidence — and there should be more than one defensible answer (not a fact you can just look up).

Sentence starters: “Why did _____ lead to _____?” ·

“Which mattered more — _____ or _____ — and why?” ·
“What is the BEST evidence that _____?” · “Evaluate
whether _____.” · “Defend or challenge: _____.”

Frame: [Analyze / Evaluate / Justify] + [something from
THIS standard] + “using evidence.”

Quick check: does my question make the reader THINK
and use evidence? If yes, it’s DOK-3.

Activity 4 — Close Read — GC.05 ~15 min

Reading type: Government Hack-authored instructional synthesis. This is not a primary source. Builds SSP.03 (synthesize) and SSP.05 (historical awareness).

CORE PATH

Before a single power is granted, the Constitution states WHY it exists. The Preamble — 'We the People of the United States' — opens by declaring popular sovereignty: the government's authority comes from the people. It then lists six purposes: to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty for ourselves and future generations ('our Posterity'). The Preamble grants no powers by itself, but it is a mission statement: every power in the articles that follow is meant to serve these ends.

RESPONSE CHOICE

Commit to an answer by marking it, saying it, or explaining it aloud before checking. Answer key is in the Teacher Guide (kept separate).

[DOK 1 · item u1-gc05-dok1-1 · pre-field-test]

'We the People' at the start of the Preamble expresses the principle of:

- A. popular sovereignty
- B. monarchy
- C. judicial review

- D. Federalism

STRETCH — think like a test-writer (open to all)

Write your OWN DOK-3 question for this standard, then a one-sentence answer key. Use the supports below — everyone can do this.

HOW TO WRITE A DOK-3 QUESTION (supports)

DOK-3 = strategic thinking: the reader must analyze, compare, evaluate, or justify using evidence — and there should be more than one defensible answer (not a fact

you can just look up).

Sentence starters: “Why did _____ lead to _____?” ·

“Which mattered more — _____ or _____ — and why?” ·

“What is the BEST evidence that _____?” · “Evaluate whether _____.” · “Defend or challenge: _____.”

Frame: [Analyze / Evaluate / Justify] + [something from THIS standard] + “using evidence.”

Quick check: does my question make the reader THINK and use evidence? If yes, it’s DOK-3.

Guided Support for the Cornell Notes — GC.06

These scaffolds support ONLY the Cornell notes — use them to take and process those notes. Optional and easy to set aside; not a separate assignment or a label.

Activity 4 — Close Read — GC.06 ~15 min

Reading type: Government Hack-authored instructional synthesis. This is not a primary source. Builds SSP.03 (synthesize) and SSP.05 (historical awareness).

CORE PATH

The Framers feared concentrated power, so they built limits into the Constitution's structure. Separation of powers divides government into three branches — Congress makes laws, the president executes them, the courts interpret them. Checks and balances let each branch restrain the others: the president can veto a bill, Congress can override the veto and impeach officials, and the courts can strike down unconstitutional acts through judicial review, established in *Marbury v. Madison* (1803). Other limits include federalism (power split between nation and states), the rule of law (everyone, including leaders, is bound by law), popular sovereignty, and civilian control of the military. As Madison put it in *Federalist No. 51*, 'ambition must be made to counteract ambition.'

LANGUAGE SUPPORT

My 12-15 word headline for this standard

Guided Support for the Cornell Notes — GC.07

These scaffolds support ONLY the Cornell notes — use them to take and process those notes. Optional and easy to set aside; not a separate assignment or a label.

Key vocabulary	What it means
Amendment	A formal change or addition to the Constitution; there have been 27, beginning with the Bill of Rights.
Article V	The part of the Constitution that sets out how it can be amended — a deliberately difficult, two-step process of proposal and ratification.
Ratification	Formal approval; an amendment must be ratified by three-fourths of the states (38 of 50) to take effect.

Break it into steps:

- 1) Name one cause or effect.
- 2) Give one piece of evidence.
- 3) Write one sentence explaining the link.

Sentence frame

One key cause/effect of structure of the constitution & how to amend it was _____, shown by _____, which mattered because _____.

Modeled example (one worked note — yours will differ)

A key idea of structure of the constitution & how to amend it was Amendment: A formal change or addition to the Constitution; there have been 27, beginning with the Bill of Rights.

Guiding questions — answer on the lines below (or in your front notes):

- How many Articles does the Constitution have, and what do the first three establish?
- What are the two steps to amend the Constitution, and what fraction is required at each step?
- Why does the difficulty of Article V protect both stability and federalism?

WHICH CUE STILL NEEDS WORK?

LIGHT PROCESSING LAB

Activity 4 — Close Read — GC.07 ~15 min

Reading type: Government Hack-authored instructional synthesis. This is not a primary source. Builds SSP.03 (synthesize) and SSP.05 (historical awareness).

CORE PATH

The Constitution is short and organized: a Preamble and seven Articles. Article I creates the legislative branch (Congress), Article II the executive, Article III the judiciary; Article IV covers the states, Article V the amendment process, Article VI the supremacy of federal law, and Article VII ratification. The Framers knew the document would need to change, so Article V provides a path — but a hard one. An amendment must be proposed by two-thirds of both houses of Congress (or a national convention) and then ratified by three-fourths of the states. This high bar keeps the Constitution stable while still allowing change: in over 230 years it has been amended just 27 times.

LANGUAGE SUPPORT

Key terms to know first: Amendment, Article V. Read once for the gist, then again for evidence.

Text-dependent questions (answer in the Evidence Lab below or aloud):

1. How many Articles does the Constitution have, and what do the first three establish?
2. What are the two steps to amend the Constitution, and what fraction is required at each step?

HOW TO WRITE A DOK-3 QUESTION (supports)

DOK-3 = strategic thinking: the reader must analyze, compare, evaluate, or justify using evidence — and there should be more than one defensible answer (not a fact you can just look up).

Sentence starters: “Why did _____ lead to _____?” ·
“Which mattered more — _____ or _____ — and why?” ·
“What is the BEST evidence that _____?” · “Evaluate
whether _____.” · “Defend or challenge: _____.”
Frame: [Analyze / Evaluate / Justify] + [something from

Activity 4 — Close Read — GC.08 ~15 min

Reading type: Government Hack-authored instructional synthesis. This is not a primary source. Builds SSP.03 (synthesize) and SSP.05 (historical awareness).

CORE PATH

The Anti-Federalists agreed to the Constitution only if a bill of rights was added. In 1791 the first ten amendments were ratified. The Bill of Rights protects individual freedoms and, notably, most protections apply to 'persons,' not only citizens. The First Amendment guards religion, speech, press, assembly, and petition. The Fourth through Eighth protect people accused of crimes — from unreasonable searches to cruel and unusual punishment — through guarantees like due process. The Ninth Amendment says the people keep other rights not listed, and the Tenth reserves to the states and the people all powers not given to the national government — a cornerstone of federalism. Every clause is a limit on government power. This standard is required instruction under Tennessee law (T.C.A. § 49-6-1028).

Representative Democracy	A system in which the people rule indirectly by electing officials to represent them — the model of U.S. government.
Direct Democracy	A system in which citizens vote directly on laws themselves, rather than through elected representatives.

Break it into steps:

- 1) Name one cause or effect.
- 2) Give one piece of evidence.
- 3) Write one sentence explaining the link.

Sentence frame

One key cause/effect of republic and democracy was _____, shown by _____, which mattered because _____.

A key idea of republic and democracy was Republic: A government in which citizens elect representatives to make laws and decisions on their behalf.

Guiding questions — answer on the lines below (or in your front notes):

- What is the difference between a direct democracy and a representative democracy (republic)?

- How does a constitutional republic balance majority rule with minority rights?

WHICH CUE STILL NEEDS WORK?

LIGHT PROCESSING LAB

Answer one guiding question from above in a full sentence, in your own words.

Activity 4 — Close Read — GC.09 ~15 min

Reading type: Government Hack-authored instructional synthesis. This is not a primary source. Builds SSP.03 (synthesize) and SSP.05 (historical awareness).

CORE PATH

Americans often call the United States a 'democracy,' but the Framers designed a republic — a representative democracy. In a direct democracy, citizens vote on laws themselves; in a republic, they elect representatives to make laws for them. In Federalist No. 10, Madison argued a large republic would better control the dangers of 'faction' than a small direct democracy. The Constitution guarantees every state 'a Republican Form of Government' (Article IV). A constitutional republic combines majority rule through elections with protection of minority rights and individual liberties through the Constitution — so the majority governs, but cannot simply vote away the basic rights of others.

LANGUAGE SUPPORT

Key terms to know first: Republic, Representative Democracy. Read once for the gist, then again for evidence.

Text-dependent questions (answer in the Evidence Lab below or aloud):

1. What is the difference between a direct democracy and a representative democracy (republic)?
2. In Federalist No. 10, why does Madison prefer a large republic over a pure democracy?
3. How does a constitutional republic balance majority rule with minority rights?

STRETCH — think like a test-writer (open to all)

Write your OWN DOK-3 question for this standard, then a one-sentence answer key. Use the supports below — everyone can do this.

HOW TO WRITE A DOK-3 QUESTION (supports)

DOK-3 = strategic thinking: the reader must analyze, compare, evaluate, or justify using evidence — and there should be more than one defensible answer (not a fact you can just look up).

Sentence starters: “Why did _____ lead to _____?” ·
“Which mattered more — _____ or _____ — and why?” ·
“What is the BEST evidence that _____?” · “Evaluate
whether _____.” · “Defend or challenge: _____.”
Frame: [Analyze / Evaluate / Justify] + [something from
THIS standard] + “using evidence.”
Quick check: does my question make the reader THINK
and use evidence? If yes, it’s DOK-3.

NOW WRITE YOUR DOK-3 QUESTION HERE

Level	Claim	Evidence	Reasoning
4 — Strong	Precise, defensible	2+ accurate, specific	Explains HOW evidence proves the claim
3 — Proficient	Clear	2 accurate	Explains the link
2 — Developing	General	1 accurate	Partial link
1 — Beginning	Unclear / missing	Missing / inaccurate	No reasoning

Claim: ____ / 4 Evidence: ____ / 4 Reasoning: ____ / 4
TOTAL: ____ / 12

SUPPORTS — sentence frames (use if you need them)

Claim: “_____ because _____.”

Evidence: “One example is _____ (from _____). Another is _____.”

Reasoning: “This proves my claim because _____, which shows _____.”

Pick the part you scored lowest and rewrite it here — better:

Whose Voice Counted?

Perspectives on the Founding

This section complicates the founding narrative: whose interests the new government served, who was left out, and who organized in response. It is Government Hack-authored instructional synthesis grounded in this unit's sourced record — not a primary source.

Federalists

Argued for a stronger national union and ratification; Madison and Hamilton defended checks and balances and the large republic in the Federalist Papers (GC.04, GC.06).

Anti-Federalists

Feared a distant, too-powerful central government and refused to ratify without a Bill of Rights to protect individual liberty (GC.04, GC.08).

Enslaved & Free Black Americans

The Three-Fifths Compromise counted enslaved people as three-fifths of a person for representation (GC.04), even as the Declaration proclaimed that 'all men are created equal' (GC.02).

Women & the Unenfranchised

Women, most non-property holders, and Native peoples could not vote at ratification; the Article V amendment process (GC.07) later became the path to expand the franchise.

Unit Reflection

Return to the unit's big question: How and why did the Founders build a limited constitutional republic? Write a
